AUTOMOTIVE FUND INVESTOR BENEFITS

By supporting the Automotive Fund, you can be one of the first companies to meet and interview newly trained, LCCTC students before they enter the workforce. Your investment will allow you to engage with graduates and promote job openings throughout the year, giving you that hiring edge over your competitors.

PRIMARY BENEFITS

- Priority access to meet with students in person or virtually
- Ability to interview and hire LCCTC Automotive students before they enter the hiring pool

ON-SITE BENEFITS

- Ability to display company banner or promotional materials on-site
- Ability to be Featured Employer and post job opening fliers on job board in Automotive program classrooms

PROMOTIONAL BENEFITS

- Logo recognition on LCCTF web site
- Donor impact story on LCCTF web site
- Logo recognition on LCCTF e-communications
- Social media posts showing company's support of the Automotive Technology programs and hiring needs

Depending on the level of investment, your company can gain the following benefits below when contributing to the fund. Partnership packages will be tailored for each company to ensure a high return on investment for your company, while providing a valued contribution to the LCCTF to support the students and programs of the LCCTC.

Meet with LCCTF representatives to learn how your sponsorship can provide valuable recruiting and marketing benefits for your company.
